FOUAD FADI SEMAAN

has successfully completed the online Specialization

The Intersection of Finance, Strategy, and Sustainability

This introductory specialisation helps finance professionals and managers understand the basics of sustainability, ESG, and sustainable finance. Starting with fundamental concepts, you progress through the business applications of ESG and explore common sustainable finance products. The specialisation focuses on practical examples and real-world applications, making complex topics accessible for professionals new to sustainable finance and ESG.

Amir Amel-Zadeh,
Associate Professor of
Accounting, Saïd
Business School

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
