FOUAD FADI SEMAAN

has successfully completed the online Specialization

Caring for Others

This Specialization examines how society cares for its most vulnerable members as well as the experiences of its caregivers. In addition to addressing the phenomenon of human suffering and how it is portrayed in the media, this specialization discusses which groups have traditionally provided care, the extent to which their work is valued, and the moral and emotional challenges of providing care within bureaucratic and scientific systems. As such, this specialization relevant not only to existing and aspiring care providers but to anyone hoping to improve the situation of those in need.
