has successfully completed the online Specialization

Organizational Leadership

In this sequence of five courses, participants gained tools and understanding to successfully lead organizations through clarity of purpose and effective collaboration. The Organizational Leadership Specialization equipped aspiring managers to lead change and leverage different roles and functions within institutions to create lasting value in the global marketplace. At the end of the coursework, learners engaged in a capstone project that put their newly acquired leadership skills to the test by addressing a series of challenges related to a case study.
