has successfully completed the online Specialization

Improving Leadership & Governance in Nonprofit Organizations

Identify and analyze leadership and governance issues, create practical ways to improve board performance and work with boards to implement these improvements. This Specialization consists of three courses plus a Capstone Project: (1) Course 1: The unique nature of the nonprofit sector in society; leadership in nonprofit organizations and the governance process. (2) Course 2: The roles and responsibilities of nonprofit organization boards of directors and the challenges in carrying them out effectively. (3) Course 3: The critical factors that impact the ability of the board to govern and how to intentionally change them into positive influences. Capstone: How to overcome inertia and resistance to change and improve governance effectiveness in an applied service learning experience.
